FRIDAY BEFORE THE THIRD SUNDAY

KOSCIUSKO BAPTIST ASSOCIATION

PROCEEDINGS

The Kosciusko Baptist Association met in its Sixty Third Annual Session with the Samaria Baptist Church, and was called to order by A. T. Cinnamond, Moderator, at 10:30 A. M., Friday, Oct. 19th, 1923.

Devotional exercises conducted by Rev. W. S. Land, with prayer led by V. B. Temple.

On motion of C. S. Johnson, D. L. Brown was ordered to cast the ballot of the Association for Moderator and Clerk, which resulted in the re-election of the Moderator and Clerk of the former Association, A. T. Cinnamond and V. B. Temple, respectively.

Enrollment Committee—C. F. Hughes, Chairman, Nathan Sudduth.

Committee on Divine Worship—Deacons of Samaria Baptist Church.

Finance Committee—J. P. Johnson, A. L. Veasey.

Miss Traylor reported as representing Woman's Work. She discussed this work with them in the afternoon.

Bro. J. P. Johnson, on motion was elected to represent this Association at the next meeting of the Southern Baptist Convention, which meets in Atlanta, Ga., next May. Rev. D. I. Young was elected alternate.

At this time Rev. D. I. Young preached the annual introductory sermon, his text was Luke 12:21. Subject "Stewardship." The sermon was well received and it clearly showed the position God would have Christians occupy relative to Himself and the material world.

At the conclusion of the sermon, Bro. H. T. Vaughn made a very interesting report of his trip to the Southern Baptist Convention, held at Kansas City, Mo. A. T. Cinnamond who also attended this convention made some very timely statements with reference to the convention.

Letters to Association were called for. M. L. Dew was appointed to make investigation as to Pine Bluff, Sena Asha, and Zilpha churches, same not having made reports to this Association for sometime, to the end of acting wisely on the matter of dropping them from the list of active churches.

The Association adjourned to meet at 1:30 P. M.

Afternoon Session

The Association opened its afternoon session by singing "Nearer My God to Thee," and followed by prayer by Rev. B. F. Odom.

Committee on Nominations appointed as follows: D. L. Brown, Louis Cowan, D. I. Young.

Report on Social Service—Read by H. T. Vaughn.

Law Enforcement spoken to by H. T. Vaughn, D. L. Brown, C. S. Johnson, A. F. Temple, J. P. Johnson.

The following resolution was offered by V. B. Temple and was unanimously adopted. V. B. Temple and H. A. Pollard were appointed a Committee to press this matter on the Board-elect.

Be it resolved by the Kosciusko Baptist Association in session at McAdams in its 63rd Annual Session that it go on record as favoring a strict enforcement of the prohibition laws of this country, and that the Board of Supervisors-elect, be urged and requested to elect as jurors for the next four years only those citizens who will stand for a strict enforcement of the prohibition law as it now stands on the Statute Books. That a committee be appointed by the Moderator to present this matter to the incoming Board of Supervisors.

KOSCIUSKO BAPTIST ASSOCIATION

STATE SOCIAL SERVICE INSTITUTIONS

Mississippi Baptist Orphanage, Dr. J. R. Carter, Superintendent

The efforts put forth by Christian people in saving and training children are the most effective efforts for citizenship and for Kingdom building.

Much has been done, through the efforts of our Baptist Orphanage. More than a thousand children have been cared for and trained by our Baptist Orphanage and have gone out to take their places in society and Kingdom work. Less than one per cent of this number has become a menace to society, or made a shipwreck of life.

We have had an average in our Orphanage during the year of 170 children. The health of the children has been good and the efforts of the administration have been attended with prosperity and success.

Mississippi Baptist Hospital, R. S. Curry, Superintendent.

The past year has been perhaps the most important year in the growth and development of the Baptist Hospital in its whole history. We have a splendidly working staff of Physicians, Surgeons, and Specialists, and 25 splendid young women who are preparing themselves for the high calling of nursing the sick. We have treated since our last report 1671 patients, 210 of whom were treated free. The Hospital has no funds with which to care for charity patients except the profit made upon pay patients, which fact prevents us from taking many who apply for free hospital care.

Baptist Memorial Hospital, Joseph Purvis, Superintendent.

The work of the hospital moved forward steadily during the last year. The aim has been to keep the work up to the standard and make improvements in organization and operation. 5,399 patients have been treated; 692 from Arkansas; 3,745 from Tennessee; 999 from Mississippi, and 143 from other states. 468 of these were cared for in the charity department.

Good Will Center

Mississippi has but one Good Will Center. This is located in the mill district of Meridian. It is directly under the management of Miss Millie Mae McLellan, a graduate of the Louisville Training School. Miss McLellan lives in the Good Will Center Home where she has one assistant. Together they look after this home, where they do their own housekeeping, where they have a day nursery for children whose mothers work out, and where the various clubs of the Good Will Center hold their meetings. The building is not large but the hall for public meetings is commodious and attractive. Miss McLellan works out from this Center in all portions of the city.

This report could be made largely statistical; for the number of visits made in the interest of God's work; the number of little children cared for; the amount of necessary clothing given out, the number of pupils taught in night schools; the number of boys and girls reached by the various clubs and the number of disheartened women who are sent away with words of cheer—all these, if enumerated, would run up into the thousands.

SOUTHWIDE SOCIAL SERVICE INSTITUTIONS

The Relief and Annuity Board, Wm. Lunsford, Cor. Sec'y

In May 1920, the total assets of the Relief and Annuity Board amount

KOSCIUSKO BAPTIST ASSOCIATION

to \$162,123.10. In May 1923 the total had reached \$1,490,193.59.

From the best estimate that we can get, Southern Baptists, in the United States, put together, paid to their old preachers in the three years preceding the Relief Campaign, in round numbers, \$116,000.00. In the past three years, since the beginning of the Campaign we have increased the yearly allowance paid to our beneficiaries over the estimated three years immediately preceding the Campaign, \$184,143.31, an average of more than \$61,000.00 per year. While this increase is gratifying, we are by no means doing what we should do.

The immediate and imperative need of the Relief and Annuity Board is this: it is a fixed income of \$100,000.00 per year, on the relief side of the work alone, in addition to what the Board is now receiving and will continue to receive from the states. This will take an interest bearing fund, for relief alone, of at least one and a half million dollars, of which we now have about five hundred thousand, including endowment and reserve.

The Board has now a beneficiary list of between eight and nine hundred. Others are being added from month to month. The number of beneficiaries from Mississippi is now 24 men and 16 widows. These are receiving an average of \$10.00 per month. While we have made great strides since the organization of the new Board, in giving aid and comfort to our disabled and retired ministers, we are not beginning to do what we should do.

Your committee would urge the people everywhere to pay their pledge to the Campaign so that the aid now being given to these old heroes of the Cross may be materially increased.

H. T. VAUGHN.

Committee on Assignment submitted its report.
The Association adjourned until 10 A. M. Saturday.

Saturday A. M. Session

Devotional exercises conducted by Rev. B. F. Odom, prayer by Rev. W. J. McPhail. Association called to order by Moderator at 10:30.

Report on Mission read by D. I. Young, spoken to by D. I. Young, A. T. Cinnamond, W. J. McPhail, J. W. White and D. L. Brown. All phases of this report were discussed and adopted as follows:

REPORT ON MISSIONS

State Missions.

The State Board is engaged in the following phases of Mission work: Church building and extension; supplementing the salaries of 100 pastors; mission work among the Indians; special teachers for the negro colleges; religious workers for Blue Mountain college; Womans College and Good Will Center at Meridian; enlistment work; colportage work; Sunday school work; W. M. U. work; B. Y. P. U. work, and Publications.

Church Building and Extension Work

The amount appropriated for this work last year was \$27,000. With this fund 49 churches have been aided, 21 in towns and 28 in the country.

Pastoral Support

Through this part of the work 100 pastors have had their salaries supplemented, which aided 153 churches. Of this number 68 are in towns and

Missions

The Board is assisting in paying the salaries of 4 Indian pastors to the amount of \$500.00. The Board is paying a salary to Rev. B. H. Ellis, a missionary to the Creoles. The Board pays part of the salary of the Bible teacher in the Jackson College, (colored) and furnishes Sunday School and B. Y. P. U. teachers for two weeks each at Jackson and Natchez Colleges. The Board also pays part of the salaries of religious workers at Good Will Center at Meridian, Blue Mountain College and Womans College.

Sunday School Work.

The Sunday School workers have visited 170 churches, 1237 diplomas and 5,077 sals for the completion of the Manual and other books have been awarded and 66 Normals have been held in the State. There are about 250 more Sunday Schools than reported last year and 74 additions to the church and 60 professions of faith.

B. Y. P. U. Work.

This department has grown during the past year and its growth is largely among country churches.

There has been 100 new unions organized during the year, which brings our total to 700. We now have 10 Associational B. Y. P. U. Conventions. Miss Sallie Payne Morgan has recently been added to this department with the duty of working with the junior and intermediate Unions.

W. M. U. WORK:

This department has five aims, namely: Supplication, Stewardship, Study, Service, and Soul-Winning. To help make each local society a standard of excellence of ten points is given to lead them in these aims. There are now in this department 1404 organizations of which 771 are W. M. S., 88 of these are new organizations. There are 161 new organizations for young people. This department in Mississippi reported 35 per cent of all the mission study classes taught in the Southern Baptist Convention territory.

The Seventy Five Million Campaign.

The receipts from the beginning of the campaign are \$2,358,816.31. The receipts from August 1, 1922, to August 1, 1923 are \$449,036.04 which has been distributed according to the agreement.

It is exceedingly important that we give ourselves to the payment of our pledges during the remaining months of the year and pray that others may be made to see their duty in this great work. We can help them to see if we will study and teach Stewardship and Missions.

We recommend that this association shall strive to put on in each church the Budget system of finance for home expense and denominational work, beginning January 1st, 1924.

Home Missions

The Home Mission Board made a great report to the Southern Baptist Convention in Kansas City last May. When the convention met in that city Eighteen years ago, the board's receipts for the year were \$169,988.92. Last year they were \$1,002,193.07.

The Board reported 10,551 baptisms, this year 38,770. In 1905

KOSCIUSKO BAPTIST ASSOCIATION

Board had no special department for Evangelism. Shortly after that the department was organized and through it there have been 152,846 converts baptised, 298,643 additions to the churches and 23,260 volunteers for the ministry or definite mission work.

It is our one great Southwide missionary agency and has been the greatest single factor in helping to make the South a mighty Baptist empire.

While Southern Baptists have made mighty progress, there are greater needs and opportunities at present than ever before in our history.

Our Home Mission Board is heavily in debt on account of the enlargement of the work and the falling off in the receipts due largely to the deflation in prices in general.

The last report of the Board states that if we raise \$75,000,000 by the close of the Seventy Five Million Campaign and the Home Board receives its due proportion, the Board's debt can be paid and the Board's work increased fifty per cent over its present operations.

Foreign Missions.

Our Foreign Mission work grows. We have now 891 churches in sixteen foreign lands; 211 or practically one fourth of these churches are self supporting. 142 or one half have their own houses of worship.

In addition to the churches there are 2,896 out stations which give us a total of practically 4,000 stations where the word of God is preached regularly. Last year was the crowning year in baptisms, 12,611 were baptized, which is 4,720 more than reported the year before. We have 102,228 members. These gave \$4.22 per capita last year. We have 796 schools which were attended last year by 32,798 scholars. This is about equal to the number of students in our Baptist Schools in Southland.

There were 1,447 Sunday Schools, which had an enrollment of 67,407.

We have now 501 foreign missionaries and 2,820 native missionaries. This is almost twice as many foreign missionaries and almost four times as many native missionaries as we had in 1919 at the beginning of the Seventy Five Million Campaign.

The Board reported a debt of \$403,000 at the last Southern Baptist Convention. There has been no disposition to criticize the Board because everybody has realized that the Board has been very conservative in making appropriations. It has appropriated only a little above one half of the amount that was proposed for it in the 75 Million Campaign.

The Board at its June meeting appointed forty eight new missionaries who in the early fall of this year will go to their fields.

On motion it was ordered that the Sunday School Normal hold its next session at Kosciusko, Miss., beginning on the Second Sunday in July, 1924.

Afternoon Session

The Association was called to order after prayer by Rev. J. W. Beauchamp. Report on Education read by J. W. White, spoken to by J. W. White, A. T. Cinnamon, D. I. Young, and adopted as follows:

Mississippi Baptist Schools

We have four Baptist Schools in Mississippi. Clarke College, H. T. McLaurin, President. Clarke College is Junior College located in Newton County, where Baptists are numbered by the

thousands. It has had its share of burdens and has maintained itself through great sacrifice and is growing more in favor with the people and is being more largely supported by the Baptists of the State. H. T. McLaurin, the new president, has gathered about one of the strongest faculties in its history.

This past Summer \$10,000 was expended in better equipment, a new plumbing outfit and a heating plant have been added, besides rooms in the dormitory and class rooms have been renovated and overhauled. Clarke College is destined to become one of the strongest Junior colleges in the South.

Blue Mountain College, W. T. Lowry, President. Blue Mountain College is one among the greatest womans' colleges in the State, and the only one maintaining a 4-year high school course and a 4-year college course. It has just closed this year an half of a century of its work.

Womans' College, J. L. Johnson, President. Mississippi Womans' College, though but a child of 11 years old, is healthy and growing, her dormitories were full and overflowing, counting some local pupils, there were 500 enrolled. Womans' College captured the banner at the State B. Y. P. U. and S. S. Convention, held at Columbus this year, for the best College B. Y. P. U. Practically every girl belongs to the Y. W. C. A. and Womans' College has had the largest number of Mission study classes in its history.

Mississippi College, J. W. Provine, President. The session of 1922-23 stands out as one of the most eventful in the history. 410 college students, \$640,000 endowment. Great improvements are being made. All the rooms are being completely renovated, painted and calcomined.

South Wide Institutions. Mississippi Baptists help to support and maintain 3 South Wide institutions of learning. They are the Baptist Bible Institute, located at New Orleans, La.; The Southwestern Baptist Theological Seminary, located at Ft. Worth, Texas, and The Southern Baptist Seminary, located at Louisville, Ky. Over 1,000 of our Christian young men and women were in these institutions last session preparing for definite Christian service at home and abroad.

We would recommend that our Baptist folks patronize their Baptist schools, and that these schools share a large part in their prayers and in their purse.

Respectfully submitted,

J. W. WHITE.
